

DRAFT
SELECTED TOPICS COVERED BY SURVEYS AND DATA SYSTEMS
National Center for Health Statistics
January 2004

| TOPIC: | Vital Statistics Cooperative Program (VSCP) <small>State vital registration Linked Birth/Infant Death</small> | National Survey of Family Growth (NSFG) <small>Personal interviews</small> | National Health Interview Survey (NHIS) <small>Personal interviews</small> | National Health and Nutrition Examination Survey (NHANES) <small>Personal interview, physical examination Laboratory tests, nutritional assessment DNA repository</small> |
|--|--|---|---|--|
| * Mortality | | | | |
| Life expectancy | X | | | |
| Causes of death | X | | X | X |
| Rates (by age, race, origin, sex) | X | | | |
| Geographic detail (county) | X | | | |
| * Natality/maternal and infant health | | | | |
| Prenatal care | X | X | | |
| Rates (by age, marital status) | X | | | |
| Pregnancy outcomes (birthweight, prematurity, plurality, fetal deaths) | X | X | | |
| Method of delivery and obstetric procedures | X | X | | |
| Contraception, sterilization, infertility, unintended pregnancy | | X | | X |
| Adoption | | X | | |
| Breastfeeding | X | X | | X |
| Geographic detail (county) | X | | | |
| * Diseases, conditions, injuries** | | | | |
| Diagnosed conditions | X | | X | X |
| Undiagnosed conditions | | | | X |
| Symptoms | | | X | X |
| * Health behaviors/risks | | | | |
| Diet/nutrition | X | | | X |
| Physical fitness/exercise | | | X | X |
| Weight/body measures | X | X | X | X |
| Tobacco use | X | X | X | X |
| Alcohol use | X | X | X | X |
| Illegal drug use | | X | | X |
| Environmental exposures | | | | X |
| Immunization | | | X | X |
| Sexual behavior | | X | | X |
| * Health Status | | | | |
| Children's growth and development | | | | X |
| Functional status (sensory, mobility, cognitive, emotional) | | X | X | X |
| Mental health | | X | X | X |
| Oral health | | | | X |
| General health status | | X | X | X |
| Reproductive health | X | X | | X |
| * Health Care Utilization | | | | |
| Health insurance | | X | X | X |
| Access to care | | | X | X |
| Use of care | X | X | X | X |
| Patient/resident characteristics | | | | |
| Surgical and diagnostic procedures | | X | | |
| Prescription and OTC medication | | | | X |
| Characteristics of visits/stays | | | | |
| Characteristics of provider | | X | | |
| Length of stay | | | | |
| * Marital status | X | X | X | X |

** Includes but not limited to osteoporosis, diabetes, renal tract, skin diseases, infectious diseases, hypertension, asthma, heart disease, arthritis

NOTE: SLAITS surveys are not included in this listing

| TOPIC: | National Hospital Discharge Survey (NHDS) Hospital records | National Ambulatory Medical Care Survey (NAMCS) Encounter forms completed by physicians practicing in private offices | National Hospital Ambulatory Medical Care Survey (NHAMCS) Encounter forms completed by physicians, and other hospital staff | National Nursing Home Survey (NNHS) Long term care providers | National Home and Hospice Care Survey (NHHCS) Home health agencies and hospices |
